VACANT HOUSE

Telephone 311 or email 311@winnipeg.ca

Legally, a house can sit vacant for years as long as it's not boarded up.

Often what occurs on properties with a vacant house are issues related to long grass, poor yard maintenance, accumulation of garbage, etc.

All of these issues fall under the City of Winnipeg's Neighbourhood Liveability By-laws.

Details on how to properly report each of these issues to 311 are posted on this website under [Reporting By-Law Infractions](#).
