# OPEN FIRES / FIRE PITS

The City of Winnipeg's Neighbourhood Liveability By-Law (pg 44) aims to ensure open fires and fire pits are safe.

Fires of any kind must be constantly supervised by an adult and be at least 3 metres (10 feet) from any flammable items. Fire pits cannot be close to fences or vehicles.

By-Law Enforcement Officers can be called to inspect a fire and will come to the house and can issue a fine.

Please be fire safe.
