GARBAGE IN YARD

The City of Winnipeg's Neighbourhood Liveability By-Law (Pg 35) aims to ensure excessive garbage does not pile up in a yard.

CITY OF WINNIPEG GARBAGE & RECYLING PICK UP EVERY WEDNESDAY

- In Fort Richmond, University Heights and Richmond West communities, garbage is picked up every WEDNESDAY. More info at <http://winnipeg.ca/garbage>

In Winnipeg there are many animals that eat garbage or live in garbage piles. Wild animals can bring disease and harm humans.

Piles of garbage can also be a fire hazard.

If the garbage is not removed, a By-Law Enforcement Officer will come to the house and can issue a Compliance Order to remove the garbage within approximately one week.

If the garbage is still not removed, the City may clean it up and place a cost fee on the tax bill.

The fee could be upwards of \$250.
