LONG GRASS

We would appreciate if you could cut the grass.

The City of Winnipeg's Neighbourhood Liveability By-Law (Pg 51) that states grass cannot be longer than 15 centimeters (6 inches) in the front and back yards of a house and on the boulevard.

If the grass is not cut, a City of Winnipeg By-Law Enforcement Officer will come to the house and issue a Compliance Order to cut the grass within approximately one week. If the grass is not cut, the City will cut the grass and place a fee on the home owner's tax bill.

The fee could be upwards of \$250.
